High School Graduation Requirements

Diploma Requirements (cont.)

- ✦ Possible course selections listed are given as a guide and represent requirements from various public and private Alabama schools. This is not an exhaustive list. Please contact administration with questions regarding course selection.
- ✦ A credit is granted for the completion of a year of course work in a given subject. A year of course work is roughly 36 weeks @ 50 minutes per school day, or 150 hours. Half credits are granted for courses that are one semester in duration.
- ✦ A certificate of Completion may be offered to those students who do not meet the academic requirements for the academic or advanced academic diploma. This will be awarded only after consultation between Parent/Teachers and ECS administration.
- ✦ Each college has its' own admission requirements. Contact of any potential college choices to obtain their credit requirements is recommended.
